

PDT-001328

GENERAL

Range name	TOP FIX
Finish	Brushed Steel
Barcode	5056634510762
Category:	Kitchens
Sub Category:	Brassware
Sub Category 2:	Kitchen Tap

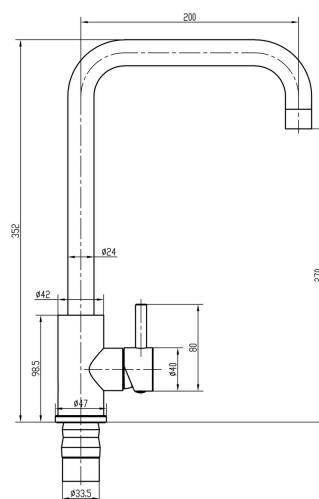

FEATURES

1. True Top-Fix Installation – Fit the tap from above the sink without the need to work in cramped spaces underneath.
2. No Awkward Under-Sink Fixings – You only need to go under the sink to connect the flexi tails to your plumbing—no more struggling with nuts and bolts in tight spaces.
3. Professional Finish – Once installed, the fixing hole is neatly concealed with the included cover cap for a seamless look.
4. Pre-Installed Flexible Hoses – Supplied with pre-fitted flexi hoses for even faster and more straightforward connection to your water supply.
5. Timesaving for Professionals & DIY Users – Reduces installation time and effort, making it ideal for both pl

COMPLIANCE
